Dockets Management Branch (HFA-305)  
Docket No. 98N-1265  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: These compounded prescriptions  
that I can only get thru Madison Pharmacy,  
have improved my life so much.  
I am so grateful for my life  
back due to sleeplessness and lack of  
energy.

Please consider everyone's needs  
when voting on this issue.  
This is so vital to the American  
way of life - please don't change  
anything that works so well!

Thank you  
Sincerely C3245
